Belief

The Maskwacis Education Schools Commission (MESC) follows cultural and traditional teachings of the Maskwacis Cree, in particular Wahkohtowin. Wahkohtowin is the belief that all things are related and connected, that all of existence has spirit and that living in a good way requires us to maintain good relationships with each other and other aspects of existence. We recognize that respect for mother earth, elders, youth, and the Treaties are paramount to planning ahead and making decisions for future generations.

MESC is responsible for ensuring that each of its students is provided with an education. Therefore, schools shall remain open to students during the times and dates established by the Board.

3. Parents are not required to send their children to school if, in their judgment, weather or road conditions are detrimental to the safety, or well being of their children.
4. Parents who have brought their children to school on days when school bus services are suspended will be responsible for picking up their children.
